

LEARNING WITH TREES

Environmental Education & Tree Planting Day

No-Cost Program, Science-Based Curriculum, and Hands-On Learning at School

Learning with Trees™ is a free program for schools that combines environmental education, community input, outdoor learning, and tree planting to revitalize outdoor areas around schools.

Planting Trees Today. Inspiring Stewards for Generations.

WHAT TREE TRUST PROVIDES

- ISA-certified arborist to guide planting plan
- Outdoor learning area
- 20-30 trees and shrubs
- Environmental education
- School-wide planting day
- Watering supplies (as needed)

WHAT THE SCHOOL COMMITS TO

- Watering trees for first 2 growing seasons
- Long-term maintenance of trees & outdoor classroom
- Providing volunteers for planting day
- Encouraging ongoing learning about stewardship

WHAT STUDENTS LEARN

- How to plant a tree
- Why trees are important
- How trees help people
- The importance of watering

TESTIMONIALS

"Tree Trust is AMAZING! You do a great job of training the volunteers, making the experience fun and connecting with schools!"

"The kids had so much fun and learned a lot. The staff helping were super knowledgeable and very helpful. They broke everything down for the kids so they could do the work well."
