Status: Regular, Full-time, Non-exempt

Job Purpose Summary: The Landscape Construction Supervisor/Estimator position leads a crew in the construction of a variety of landscape, construction, carpentry, and ecological projects. This individual is responsible for selling and scheduling projects as well as field management and production.

- Represents Company to a variety of clientele for the purpose of building relationships that lead to new business and meeting or exceeding established sales goals.
- Performs all aspects of the bidding process including client meetings, field estimates, drawing plans, bid proposals and estimates.
- Prepares for and leads projects by reviewing scope of work, communicating to crew, ordering materials and scheduling equipment and/or subcontractors.
- Ensures project plans and schedules are aligned with contracts, budget, forecasting, and job costing.
- Leads and assists in the installation of hardscape, softscape, grading, excavating, carpentry and a wide variety of other landscape projects. Leads snow removal operations.

Qualifications/Skills/Abilities Summary:

- Current driver’s license, a clean driving record and possess and maintain MN DOT medical certificate within fifteen (15) days of hire
- Must be able to pass a criminal background and motor vehicle check
- Minimum of three (3) years of experience in leading landscape projects
- Knowledge of horticultural best practices and experience with installation of hardscapes including patios, retaining walls, masonry etc. Working knowledge of landscape design, carpentry skills, and construction.
- Must have the ability to frequently climb, bend, stoop, twist and frequently lift 50 pounds.
- Must be able to competently operate electric and gas-powered tools; experience in heavy equipment such as excavators, skid steers and front-end loaders is preferred
- Must be able to perform work outdoors in all conditions including inclement weather.

What You Will Get from This Role:

- Excellent benefits package includes PTO, retirement, health, dental, life, and other voluntary insurance.
- Collaborative, supportive, productive yet fun work culture that one department leader described as “the best team I’ve ever worked with” (and they had spent their career in orgs like ours!). In a recent employee survey (taken by 90% of staff), 100% of respondents reported that they know they’re making a “significant contribution” here.
- Opportunity to work collaboratively, in a supportive environment.

Tree Trust is proud to be an Equal Opportunity Employer.
